Local Girl Dies In Tragic Accident West Of Truckee

Carol Ann Quilici Rites To Be Held Friday At Church Here

The entire community was shocked Tuesday night when tragedy struck the home of Mr. and Mrs. Nat Quilici, prominent local business people whose daughter, Miss Carol Ann, 16, apparently drowned in Donner creek after her car left Highway 40 and plunged into the stream.

The accident occurred about 9:30 p.m. and the cause will probably never be known. The popular young senior student at the Tahoe High School was driving west in the family car after visiting at Donner State Park and was alone at the time.

Sergeant Frank Snyder of the California Highway Patrol said it could not be determined immediately whether the young driver swerved the car to avoid striking a deer or for some other unknown reason. At any rate, the vehicle struck the loose gravel shoulder, got out of control and went through an old fence, struck a large boulder and then plunged into the creek.

Carol Ann was evidently thrown out of the seat as the car struck the water and the body was found approximately 30 feet down stream from the car. She was rushed by Truckee ambulance to the Tahoe Forest Hospital where doctors worked for two hours in an effort to revive her. It was estimated that the victim had been in the water 15 or 20 minutes before the accident was discovered.

Just a few minutes prior to the tragedy, Carol Ann had talked with school mates at the entrance of Donner Park and informed them she was going home. The accident happened at the east end of the park where the highway runs close to Donner creek, the stream being only 50 feet away.

The car did not upset but was upright in the water with the door on the driver's side open.

The young victim was one of the most popular members of the community's younger set, active in club and school activities and regarded as one of the outstanding young women of the area. She would have been 17 years old next November and was to have entered the senior class at the high school this fall.

She is survived by her parents, who for the past 19 years have operated Fontana's Laundry and Dry Cleaners and who were prostrated by the tragedy.

Funeral services will be held at the Catholic Church at 10 a.m. Friday with Father Leo McAllister officiating. Rosary will be at the Truckee Colonial Mortuary tonight at 8 p.m.

The entire community joins in extending most sincere sympathy to the bereaved family.

PLANNERS APPROVE NEW SQUAW RESORT

AUBURN — County planning commissioners have approved the establishment of an extensive ski and resort lodge to be built by Alfred Kuhn and Vern Miller on the southeast side of Squaw Valley.

The land development application calls for the construction of beginners and intermediate ski areas, a lodge, motel and restaurant.

It will be the first major construction on the southern side of the valley.

DRIVER CRUSHED AS TRACTOR OVERTURNS

Viall H. Howard, 46, Inglewood, was critically hurt Wednesday afternoon when a DW-21 caterpillar he was operating on a highway construction job one mile west of Kingvale overturned and pinned him beneath. After emergency treatment at the Tahoe Forest Hospital, Howard was taken to Reno. He was employed by the Wood-Kirst Construction Co.

TWO BABIES ARRIVE AT HOSPITAL HERE

Two babies arrived at the Tahoe Forest Hospital this week.

On Friday, July 25, a daughter, weighing 6 pounds, 8½ ounces was born to Mr. and Mrs. Peter Klaussen of Squaw Valley.

A daughter arrived Monday, July 28, to Mr. and Mrs. Harry Causey of Truckee weighing 6 pounds, 9½ ounces.

CHRISTIAN SCIENCE LECTURE AUGUST 5

The public is invited to attend a free lecture on "Christian Science: The Revelation of Man's Spiritual Heritage," Tuesday, August 5 at 8 p.m. in the Christian Science Church in Reno.

The speaker will be Sylvia N. Poling, C. S. of Phoenix, Arizona, member of the board of lectureship of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

Tahoe District To Vote On Bonds In Election Tues.

TAHOE CITY— A special election will be held on Tuesday, August 5, in the Tahoe City Public Utility District on the question of whether the district shall incur an $80,000 bonded indebtedness to pay for the acquisition of property and construction of an extention to the sewage disposal system in the area.

The polls, located in Tahoe Community Center, will be open from 1 p.m. to 6 p.m. Designated to serve on the election board are Mrs. Bernadette Bechdolt, inspector; Mrs. Rebecca M. Shontz, judge; and Mrs. Lillian E. Farr, clerk. An affirmative vote by two-thirds of the voters participating in the election is required for passage of the bond issue.

The utility district directors will meet on August 11 to canvass the vote.

Stead Wins Race In Las Vegas Boat

TAHOE CITY — The largest crowd ever to witness a Mile High regatta Saturday saw Bill Stead of Reno and the Maverick of Las Vegas roar to victory in the 6th annual event held at Tahoe.

The Maverick, owned by William Waggoner of Las Vegas and Phoenix, Ariz., thus gave the former Texas oil and cattle man his second win of the valuable Mapes Cup, symbolic of victory in the Mile High Regatta. In 1956, his boat Shanty won the Mapes Cup in its first racing appearance.

To win the Mapes Cup, Stead and the Maverick were forced all-out by the brand new Miss Bardahl—piloted by Mira Slovak. Slovak, known as the "Flying Czech," last year won the Mile High in William Boeing's Miss Wahoo.

When the Maverick took the checkered flag symbolizing the win, Bardahl was less than a half-length back of the leader, and driver Slovak "had his foot in it" all the way.

Maverick started things right, winning section 1-A over three other boats, to pick up 400 points. Miss Bardahl retaliated with a victory in heat 1-B. Then Maverick won heat 2-A by approximately 600 yards and Bardahl followed it up by winning heat 2-B handily enough ahead of Gale VI.

Seven boats had been authorized for the final heat, and they were drawn with all competing boats except Miss U. S. I and Breathless.

The seven went across the starting line in good order and off the first turn they stood in line with Maverick leading, followed by Gale VI, Thriftway Too, Muvalong, Wildroot Charlie and Gale V.

The Top Ten

(Unofficial unlimited hydroplane leaders)

No.	Boat	Points
U-12	Maverick	969
U-2	Miss U.S. 1	869
U-40	Miss Bardahl	700
U-54	Wildroot Charlie	694
CA-1	Supertest II	625
U-56	Gale VI	600
U-62	Thriftway Too	525
	Miss Spokane	450
U-60	Miss Thriftway	400
	Miss U.S. IV	169
U-57	Gale V	169

DRUG FIRM OFFICIAL VISITS BROTHERS

Guests at the E. L. and W. A. Loynd homes during the past weekend included Mr. and Mrs. Harry J. Loynd of Detroit, Mr. and Mrs. William Loynd of San Francisco, Mr. and Mrs. Ralston of Los Angeles and Frank Joechems of Kansas City.

Harry Loynd is president of the Parke Davis Drug Company and was en route to San Francisco to preside at a branch managers' meeting. His guest at the important session was Dr. L. D. Nelson of Truckee.

HIT-RUN PAIR EVADE SEARCH BY OFFICERS

Officers Wednesday morning shortly after midnight searched in vain for two occupants of a car which sideswiped a truck near Iceland on the new detour road west of Floriston. The truck driver said the two men, who apparently had been drinking, abandoned the old car and ran into the brush.

State Patrolman James Stamback and Deputies Sheriff Roy Waters and Roger Johns made a thorough search of the vicinity but because of the rough brush-covered area were unable to locate the pair.

School Costs Up But No Increase In Basic Tax Rate

Attendance Increase Cited As Board Calls Meet Next Tuesday

In spite of substantial increases in enrollment and in costs, the trustees of the Tahoe-Truckee Unified School District do not contemplate any increase in the basic tax rate of $1.65 per $100 of assessed valuation, plus an extra "dime a hundred" for contributions to the district retirement funds.

A public hearing on the 1958-59 budget will be held at 8 p.m. August 5 at the Tahoe-Truckee High School, on the highway between Truckee and Donner Lake, according to County Superintendent of Schools Albert Bequette. The budget, in detail, will be published in the Sierra Sun this week.

It is estimated that total expenditures and transfers for the coming fiscal period will amount to $685,565.62. This contrasts to $568,624.27 for the recently completed year and $517,288.69 for 1956-57.

Maintenance of the school plant is expected to go up from $13,986.71 this year to $24,800 next. Operation of the plant runs to $78,200 for the coming year with $68,958 this year and $60,683 for last year.

The costs of instruction, including salaries of instruction and textbooks as well as other instructional materials, will take a $346,150 bite in 1958-59. During the present year this figure amounted to $301,867 and during the year before it was $256,225.

Capital outlay is expected to be down slightly— $47,000 as against $54,304— during the year ahead.

Between existing balances, federal and state subventions, and revenues from the secured tax rolls, district income is expected to hit $760,765.52 from 1958-59. This is down slightly from $764,123.85 from 1957-58 but considerably higher than a figure of $661,106 for the year before.

It will require $366,656 from the local taxpayers to balance the budget. Appropriations from state treasury sources— principally the sales and use tax —will bring in an estimated $117,625, as contrasted to $105,915 this year and only $82,680 last.

The new budget is based on an increase of almost 15 per cent in the district schools in the year which ended June 30. The average daily attendance in all grades during the year past was cited as 787. This was 100 pupils higher than the year preceding.

DRUNKS, VAGS LEAD IN LOCAL ARRESTS

Drunks and vagrants led the list of arrests by officers in Truckee during the past week and Deputy Sheriff Roy Waters reports that there were a dozen prizoners locked up charged with being drunk and causing a disturbance.

Several of the arrests were made by Constable N. F. Dolley and all the prisoners appeared before Judge F. W. Wilson for sentencing.

They included Oscar N. Larson, Lloyd R. Moynod, Buster E. Sherfield, George F. Sheridan, Charles Degnon, John Croxton ,Geraldine Tompson, Pat Hurley, Marvin L. Willis.

Two men accused of drunk driving, Albert Green of Los Angeles and Ernest Popp of Sacramento were booked on drunk driving charges.

DEPARTMENT CALLED AS AUTO IS BURNED

Members of the Truckee Volunteer Fire Department were called out at 3:15 a.m. Wednesday morning when fire completely destroyed a car belonging to "Blackie" Sawyer, which had been left parked on the street near the Donner Hotel. The fire was discovered by Tom Dolley who was returning home from work on a construction job.

$12,000 Culvert

SACRAMENTO —(CNS)— The California Highway Commission has allocated $12,000 for culvert construction on U. S. 40, about three-tenths of a mile east of Donner Lake Gate, and west of Truckee, it was announced today.

CAVITTS AT RANCH—

The W. M. Cavitt family of Loomis is staying at their local ranch.

SUNBEAMS

By WALTER M. BARRETT

Were it not so serious, some of the editorials we read urging that the unmarred beauty of the Emerald Bay area be retained by complete abandonment of a plan to provide safe passage for motorists frequenting the region, the thoughts expressed would be amusing. Instead they cause a shudder. How anyone can demand that the present "killer road" be retained is beyond our comprehension. We cannot deny the fact that natural beauty is paramount in that area and we would be the last to see it spoiled, but we cannot see how construction of a safe, low-level span would detract from the view. It is reasonable to assume that such a bridge, designed in keeping with an atmosphere of beauty, would add to and not detract from this view. The most important fact, however, is that the present road is inadequate, highly dangerous and because of annual slides is creating an eye-sore. A bridge would give countless thousands an opportunity to share in the beauties of the area, where now many are fearful of the approach and avoid it when possible. It is well enough for those living in distant cities to constantly harp on maintaining this hazard, but we wonder how they would feel if conditions were reversed and they were required to use such inadequate facilities in their own communities. We might say that the beauty of the Golden Gate or the San Francisco bay were spoiled by bridges, but certainly no one thought of stopping their construction for that reason. The new freeway across the Sierra is taking out thousands of beautiful trees, cutting ugly gaps in picturesque hills and filling attractive vallevs with unattractive rock and dirt but that's the way it must be if more people are to enjoy the other, more important Sierra beauties.

YACHT CLUB WATER CARNIVAL WILL BE HELD ON WEEKEND

HOMEWOOD — Tahoe Yacht Club's sixth annual water ski carnival will be held at Chambers Lodge on the west shore of the Lake of the Sky Saturday and Sunday. Under direction of carnival committee chairman A. R. Westphal, the two-day meet will include slalom, trick and exhibition water skiing in children's, junior and senior classes for both men and women.

Registrations will close Saturday at 10 a.m., with entry fee established at $2 for 17-and-under skiers and club members 18 or over, and $3 for non-club members older than 18 years.

J. Philip Murphy of Lake Tahoe and Piedmont, is commodore of the sponsoring Tahoe Yacht Club. Other officers are J. Allen Bray, vice-commodore; Stanley W. Good, Jr., rear commodore; A. R. Westphal, port captain; and R. Randolph Walker, secretary-treasurer.

Serving with Westphal on the carnival committee are Mike Brown, Bob Dobbins, Susan Good, Ed Irvine, Pat Petterson, Ralph Peer, Jr., and Gloria Westphal. Walker will handle the announcing, with Judy Westphal in charge of publicity.

JUNIOR MYF DANCE SET FOR AUGUST 5

A dance is being arranged by members of the Junior M. Y. F. for August 5, from 7:30 until 11 p.m. to be held in the basement of the Methodist Community Church.

A small charge will be made and all are given a cordial invitation to attend.

SCHOOL BOARD WILL HEAR REPORT TUES.

Aside from the public hearing on the coming year's budget, the governing board of the Tahoe Truckee School District Tuesday night will hear a report on construction of the new buildings and transact other routine business.

Miss Prudence Manley will be employed as teacher in the first grade of the Truckee elementary school.

Truckee To Meet Fallon Merchants Here On Sunday

Threlkels Clinch 1st Place In Sunday's Win Over Mountaineers

Threlkel's Cubs officially clinched the title Sunday with a 10-3 verdict over the Truckee Mountaineers in a Sierra Nevada League baseball game played at Threlkel's Park in Reno. The verdict gave the Cubs an 11-0 record with a four-game lead and only three games remaining. The loss dropped the Mountaineers to the 6-5 level.

Threlkel's right-hander Wes Apperson was tagged for four hits including a home run and a single by Truckee right fielder Chuck Oates as he struck out 12 more batsmen along the way to the win. The defeat was charged against Truckee starter Pello, who gave way in the seventh to Louie Goicoa.

Cubs left fielder Ted Henneberry slammed two doubles and two singles, driving in four runs, to lead the winners' 13-hit assault. Donnelly, Bob Snyder and Skeets Potulny added two hits each.

Truckee got two of its runs in the second inning on Oates' homer with Bill Campbell on base, and added the other in the eighth. Threlkel's, meanwhile, scored twice in the first, then broke the tie in the sixth with a four-run outburst that stilled the matter. The Cubs bunched another four runs in the eighth for insurance.

The Fallon Merchants will come to Truckee Sunday and meet the Mountaineers at the local field at 2:15 p.m.

The short score:

	R	H	E
Truckee	3	4	4
Threlkels	10	13	1

Pello, Goicoa and Stone, Stewart; Apperson and Goins, Thompson.

Family Injured In Highway Accident

Four members of a North Highlands family were injured, one seriously in a collision between cars driven by Mack C. Errington, 35, of North Highlands and Dominic Cabellero of Sacramento near Rainbow Tavern Friday night.

Mrs. Mariette Errington, 28, was seriously injured, while her husband and their two daughters, Mildred, 5, and Susan, 9, escaped with lesser hurts. All were treated at the Tahoe Forest Hospital.

Sergeant Frank Snyder of the California Highway Patrol, said investigation is continuing but that charges will be filed against Cabellero, who also suffered major injuries in the crash.

Prosecution is also pending, Sergeant Snyder said, against Frank J. Lohman, 36, Mill Valley whose car went out of control near Tahoe Vista Sunday at 7 a.m. and crashed into a tree. Injured were the driver and Earl A. Hallett, 21.

Ernest M. Popp was booked on a drunk driving charge after his car ran off the highway three miles north of Tahoe City Saturday at 6:45 a.m. He was not badly injured and was alone in the vehicle.

WAYNE STEADS AT FUNERAL OF MOTHER

Mr. and Mrs. Wayne Stead attended last rites on Monday at Ft. Bragg for his mother, Mrs. Dora Stead, who died at her home following a brief illness.

The deceased had visited here and had friends who have extended sympathy to the family.

Other survivors are her husband, Wayne, three other sons, Rodney, Robert and Wesley and 12 grandchildren.

KINGS BEACH MAN DIES UNDER TRACTOR

TAHOE CITY— Bud M. Roseborough, 29, of Kings Beach, formerly of Saratoga, Santa Cruz County, was injured fatally when a tractor he was operating in building roads at Skyline Tract, three miles south of here, overturned, pinning him underneath it.

His body was taken to Quinn's Sierra Chapel in Colfax, Placer County, where arrangements are pending. Coroner Francis E. West of Placer County is investigating the accident which occurred monday.

El Tahoe Shrine Club Invites Local Children To Show

KINGS BEACH— All youngsters in the elementary school grades in the district are invited to be the guests of the El Tahoe Shrine Club at the Pollock Brothers Shrine Circus in Reno Wednesday, August 6.

The club president, Ray Plunkett this week announced that buses would leave the Kings Beach post office at 9 a.m., Jay's Drug Store in Tahoe City at 9:30 a.m. and from Heller's Variety Store in Truckee at 10:30 a.m.

The Shrine Club will provide free admission, lunches and transportation. Any additional spending money is up to the individual.

John Corbin, superintendent of schools, said any child under the fourth grade must be accompanied by an adult. All adults interested in acting as chaperons for the children are asked to contact Ray Plunkett or Roy Porath at Kings Beach.

Woman Escapes As Lightning Strikes

A happy combination of rubber soled slippers and direct contact with the wood flooring in their new home probably played a large part in avoiding a serious injury during a July 17 lightning storm, according to Mrs. Kenneth Turner, mother of four children.

Mrs. Turner was using the telephone in a bedroom when she glanced up to see a bolt of lightning outside the window and before she could move, a small ball of white fire knocked her to the bed, with her feet still on the floor.

Mrs. Turner said "after it hit my cheek I watched it roll down my left side and become smaller, leaving burns where it touched, apparently disappearing into the floor." As soon as she could, she called out as their four children, the oldest only six years of age were in the house and was primarily concerned for their safety.

Following the unique experience, Mrs. Turner, wife of Dr. Kenneth Turner, was treated for burns.

WEDDING BELLS RING FOR BERGMAN FAMILY

Wedding bells are really ringing in the Bergmans family these days.

On August 16, Mrs. Bergmans, former cafeteria manager for the Tahoe-Truckee High School, will become the bride of George Smith of Danville. The couple will be married in and make their home in Danville.

The bride-elect's daughter, Nancy, plans to marry Jerry Reid of Davis on September 5. Miss Bergmans, a former exchange student to Sweden, is studying at the University of California at Davis under two scholarship grants.

Nancy's brother, Elbert, is engaged to Joan Morrison of Danville and they plan to wed next year.

COST OF POSTAGE TO ADVANCE TOMORROW

Postmaster E. C. Bavier today issued a reminder that beginning tomorrow, postal rates will advance.

At the same time, Mrs. Bavier announced that for a 90 day period there will be no penalties for postage due mail received, although the regular rate recently authorized will be charged. The fee for postage due is five cents.

The new rates provide for a cent increase in all types of first class mail. The old "penny" postcard now costs three cents. The one-ounce regular letter mail goes from three to four cents and airmail postage advances to seven cents.

NEVADA YOUTHS ARE KILLED IN ACCIDENT

EDGEWOOD, Lake Tahoe— Antonio Marcato, Jr., and Joseph H. Rush, Jr., each 19 and of Sparks, Nev., were killed yesterday when their car and a truck-trailer collided near the Cave Rock tunnel on Lake Tahoe's shoreline.

John Miller, 20, and Charles Peters, 21, both of Reno, suffered serious injuries. The truck driver, Delbert Sanders, 34, of Spokane, Wash. suffered minor injuries.

Sheriff's deputies said the car driven by Marcato apparently crossed the center line of US Highway 50 while rounding a sharp curve at high speed.

Chamber Votes To Sponsor Drive To Incorporate Area

Petitions Ready As Plan Is To Be Presented To Local Voters

Thirty-five directors and members of the Truckee Chamber of Commerce voted unanimously yesterday to sponsor a move to incorporate Truckee into a city.

Details of the plan, together with available statistics, were presented by Hal Welch, chairman of the chamber's committee on incorporation. Other speakers included N. F. Dolley, president of the chamber and Charles Kitts, county assessor

Welch explained that the petitions have been prepared and Dolley said they would be circulated immediately. It is necessary to obtain signatures of property owners representing 25 per cent of the assessed valuation of the area proposed to be incorporated. That means approximately half a million dollars, Dolley said.

At the same time Dolley appointed Lee Apple, Mrs. Ametta Firpo and Charles V. Osburn as a committee to submit names of potential city councilmen who will be voted on at the same time the proposal to incorporate is presented to the electorate. It is suggested to name a dozen or more candidates from which number five will be elected.

Dolley indicated that he and Kenneth Hedlund will head the committee circulating the petitions and that as soon as the required number of signatures are obtained, the documents will be given to the board of supervisors for official action in the near future.

Rabies Clinic To Be Held August 9

The annual clinic for immunization of dogs against rabies will be held throughout Nevada County again this year. Dr. George A. Foster, Medical Director and Dr. L. D. Nelson, assistant Medical Director of the Nevada County Health Department, announced that the county was still a rabies area as defined by the state health department and the immunizations are urgently recommended by the health department.

No dog has been found to have had rabies within Nevada County during the past twelve months. Three dogs, two cats, two skunks and one fox were sent to the state laboratory, Berkeley, for examination when they died under circumstances that made them suspected cases of rabies. One skunk was found to have the disease. This animal was killed in the Higgins' Corner area.

Dr. Foster has arranged with Doctors Raymond Law and George S. Knox of the Grass Valley Veterinary Hospital to hold clinics in Grass Valley, Nevada City, North San Juan and Truckee, similar to those held last year. At that time a large share of the dog population within Nevada County were immunized against rabies. This protection has undoubtedly aided in keeping the animal rabies reduced within the county.

The clinic will be held in Truckee on August 9, at Truckee Volunteer Fire Department fire station.

The cost of the immunization remains the same as last year, two dollars for each animal. The new provisions of the California Health and Safety Code, effective September 11, 1957, requires every dog over 4 months of age, be vaccinated annually by a licensed veterinarian.

GIRL SCOUT GROUP WILL OPEN DRIVE

The finance committee for the Truckee Neighborhood of the Sierra Nevada Girl Scout Council met on July 22nd to formulate plans for the annual fund drive. They have set the date of Thursday, August 21st for the drive.

The following ladies have volunteered to serve as captains of the different neighborhood areas: Main Street business— Patsy Andres; rear and north of main business— Eve Hallett; Church St., Trout Creek area— Mrs. William Englehart, Jr.; West Main St.— Mrs. William Randall; south of railroad tracks— Mrs. L. W. Stevenson; Sierra Mobile Homes Court— Mrs. Kenneth Hedlund; Gateway residential and business —Mrs. Cliff Ellis; Meadow Lake Park and Donner Trail Estates— Mrs. Lauren Russell; Donner Lake— Mrs. Jack Miller; Floriston — Mrs. Alex Ayala.

Members of the finance committee are Lee H. Apple, Z. D. Rose and Emory Lander. Lander has replaced Roy Saarni who has served on the committee since it was formed a year ago.

STOLL ASSIGNED

Nevada Superior Judge Vernon Stoll has been assigned to court duty in Santa Clara County at San Jose through the end of this month. Stoll will be back at the beginning of August and will go on his vacation shortly after.

C.H.P. Outlines Rules For Vacation Drivers

SACRAMENTO— Use a lot of common sense driving on your vacation trip advises the California Highway Patrol.

"Vacation time too frequently includes last minute preparations and problems delaying departure and inspiring excessive speed and chance-taking in traffic in an effort to make up lost time," declared Patrol Commissioner B. R. Caldwell. "The violations you make trying to gain time can lead to a sudden, shocking ending of a pleasant vacation."

The following tips are worthy of your consideration as you plan your 1958 vacation trip by car:

1. Obey all traffic laws, signs, and signals.
2. Schedule your driving time to allow for ample rest each day.
3. Load your car properly and avoid blocking of vision while driving.
4. If you use a trailer, remember the speed limit is 45 miles an hour for a vehicle-trailer combination.
5. Do not mix alcoholic drinks with your driving.
6. Do not try to make the return trip in one long jump— keep in mind that many accidents occur to drivers who are fatigued or sleepy and within a few miles of home.
7. Drive at a reasonable and steady speed, staying in the right-hand lane except when overtaking and passing, and stopping occasionally for stretching.
8. Use headlights, not parking lights, as driving lights.
9. Make courtesy your companion and bring yourself home safely.
10. Always be prepared for the unexpected by driving defensively.

RECREATION RATED AS MAJOR RESOURCE BY ATTORNEY GEN'L

California's recreation areas are as much a natural resource as the state's minerals, timber or oil, Attorney General Edmund G. (Pat) Brown said this week.

"We not only must develop a vigilant policy to protect the areas now set aside for the public but we must do all in our power to open up more recreational areas for future generations," Brown said.

"California is growing by half a million citizens a year. The population pressures on existing national and state parks and beaches are becoming enormous. We must act now or we'll pay dearly for it later."

Brown made his statement after returning from a two-week vacation at Wawona Lodge in Yosemite National Park.

"I've been going to Yosemite for years." he said. "Each year I've seen more and more people arrive. One day, soon, the freely accessible parts of the park will be much like a crowded museum on a Sunday.

"The beauty will always be there but the crowds who come to admire it will step on each other's toes. They must be given more space, other parks, greater choice."

Brown said he took a two-day pack trip into the High Sierra.

"It will keep me on my feet for some time," he said.

"But seriously, the majesty and loneliness of those mountains brought home to me the necessity of protecting our wilderness. It is a heritage we must preserve, a place for wonder in nature, for admiration of our pioneers, for peaceful rest."

Brown said California was still well off for recreational reserves compared to the east.

"Take our coastline, for instance," he said. "We have hundreds of miles of open beach. I understand that there are only 240 miles of the 3700 mile Atlantic shore still open to the general public."

From the grunion in the south to the abalone and salmon in the north, the ocean provides sport for Californians, Brown said.

BE CAREFUL WITH FIRE!

NOTICE OF NON-PAYMENT OF ANNUAL LABOR

TO: LAWRENCE M. YORE, JOSEPH T. YORE, ZEBULINE H. YORE, JOHN J. YORE, C. PETER YORE, also known as PETER C. YORE, GEORGE M. YORE, LAURA J. YORE, also known as LAMA J. YORE, EVELYN C. YORE, MARY S. YORE, PATRICK McGINNIS, SYMMES H. HUNT, JOSEPHINE H. HUNT, PAUL J. SCHAFER, JR., SYMMES H. SCHAFER, WILLIAM ADDLEMAN, ADAHL ADDLEMAN, also known as ADAH L. ADDLEMAN, MOLLIE McGUIRE, also known as MOLLIE MAGUIREM THOMAS McGUIRE, also known as THOMAS MAGUIRE, THEIR HEIRS, ADMINISTRATORS, AND ASSIGNS, AND TO WHOM IT MAY CONCERN:

YOU ARE HEREBY NOTIFIED that during each of the years ending July 1, 1947, July 1, 1956, July 1, 1955, July 1, 1954, July1, 1953, July 1, 1952, and July 1. 1951, the sum of ONE HUNDRED DOLLARS ($100.00) in labor and improvements was expended by the undersigned on the following: The Snow Flower Placer Mining Claim of Record in Book 25, page 316, of Mining Claims, records of Nevada County, California, in Fall Creek Mining District. In order to hold said claim for said respective years, under the provisions of 30 U.S.C.A. 28, and Section 2314, California Public Resources Code, and if at the expiration of ninety (90) days after service upon you of this notice, or after the puubliction of this notice, you shall fail or refuse to contribute your proportion of SEVEN HUNDRED DOLLARS ($700.00) of the expenditure required by the above sections, your interest in the above claims and each of them shall become the property of the undersigned, who has made the required expenditures as required by the above acts.

Dated: June 3rd, 1958.

NOTICE OF AWARD OF CONTRACT IN PROPOSED ASSESSMENT DISTRICT, TRUCKEE SANITARY DISTRICT

Pursuant to the requirements of Section 5248 of the Streets and Highways Code, Notice is hereby given that a contract has been awarded by the Board of Directors of Truckee Sanitary District to Valley Engineers, Inc., for the construction of certain sanitary sewage facilities in a portion of said District, to-wit: in Assessment District 1-1957, Truckee Sanitary District, and relating to the following described property as more particularly appears on a map of said Assessment District approved by the Board of Directors and on file with the Clerk of this District and designated Map of Assessment District 1-1957, dated July 1, 1957, as revised December 12, 1957.

From the time of recording of this Notice in the office of the County Recorder ,all property within the boundaries of the proposed assessment district shall be assessed to pay the cost of the improvemen in proportion to the benefits which said property receives from the improvement, notwithstanding the subsequent acquisition of any such property by a public agency.

Reference is made to the Minutes of the action taken by the Board of Directors of Truckee Sanitary District on file in my office for full particulars.

DATED: July 15, 1958.
JOHN J. M-GLADE, Clerk of Truckee Sanitary District jy31

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than August 12, 1958, at eight o'clock P. M. at which place and time bids will be opened for the purchase of one school bus in accordance with the specifications on file at the office of the District Superintendent.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol for 1957 regulations.

The Board of Trustees reserves the right to reject any or all bids, in part or in toto, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of ten (10%) percent of the bid to guarantee faithful performance of contract.

By order of the Governing Board. TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT

DEMOCRATS APPEAR AWAY OUT IN FRONT

SACRAMENTO —(CNS)— California Democrats appeared to be in a position to even up Congressional standings with the Republicans, 15-15, and possibly take over the majority of the delegation, official returns of the June 3 primary showed July 16.

The official vote released by Secretary of State Frank M. Jordan showed five congressmen, all Democrats, won both party nominations to be re-elected in the primary.

All but three of the 30 incumbents stood for re-election. One Republican, Hubert Scudder of the 1st district, will retire. Another Republican, Patrick J. Hillings, 25th district, is the GOP nominee for state attorney general. Rep. Clair Engle, Democrat of the 2nd district, is the Democratic nominee for U. S. Senator.

BILL BEERS SEEKING DOUGLAS SHERIFF JOB

William Beers of Lake Tahoe, former Washoe County deputy sheriff and one-time assistant warden at the Nevada state prison, is seeking the Republican nomination for sheriff of Douglas County, Nevada, in the September 2 primary. He opposes incumbent James E. Batchelder and two other candidates from the Minden and Gardnerville area.

Running for justice of the peace in the Douglas County section of Lake Tahoe are incumbent Ellsworth C. Chappell, William Walter Simons, Luther B. Hulse and Paul Bitter .

CONTRIBUTING PLEA SENTENCE DUE AUG. 1

William G. O'Hanlon of Floriston has pleaded guilty to a reduced charge of contributing to the delinquency of a 15-year-old girl. O'Hanlon appeared before Superior Judge Vernon Stoll at Nevada City last Friday morning.

The judge set August 1 for hearing a probation report and sentencing. O'Hanlon's bail bond of $1,000 was continued.

O'Hanlon had been charged with statutory rape after a preliminary hearing in Truckee Judicial Court but District Attorney Harold Berliner asked that the charge be reduced to one of contributing to the delinquency of a minor.

Cecil Craddock, 19, had previously entered a plea of guilty to contributing to the delinquency of the same girl and is awaiting judgment. O'Hanlon was represented by Attorney Albert Johnson of Nevada City.

Tahoe Items

The summer colony at Homewood welcomed Mr. and Mrs. W. R. Tiffany of Stockton who have been coming here for more than a half century, each season.

Eleanore Swanson, (Swanee) sent a note telling that a recent medical checkup has been very reassuring and while in Tahoe City she hopes to see as many friends as possible.

The house of Mrs. William Reinhardt of Pasadena is open at Brockway.

The B. F. Lancasters are at Kings Beach from Santa Clara.

The E. D. Roberts of Petaluma are vacationing at Kings Beach.

SIERRA COLLEGE IS SEEKING 200 ACRES

AUBURN— Sierra Junior College trustees decided to negotiate for a 200 acre campus in the Rocklin area, and authorized the appointment of a negotiator, but still do not have the reports of all three appraisers on property under consideration, with the Takahashi-Tuley site as a basis.

Appraisers are Chester Hatch of Auburn, Edward Grey, Jr., of Auburn, and Richard Swanson of Tahoe. Swanson's figures have not been received by the board.

Tuesday night's meeting in Auburn resulted in all bids for a school bus being taken under advisement until an adjourned meeting in Auburn next Tuesday at 7 p.m.

Fish and Game Law Violations Still Rise

Arrests and fines for violations of the fish and game code were up for the third straight year, the department of fish and game reported today.

In the fiscal year just completed (July 1, 1957 to June 30, 1958), game wardens cited 11,539 persons for violations. A total of $378,-269.20 was paid in fines during the period.

The previous fiscal year the arrests totalled 11,192 and the fines $318,461.50, compared to 9,427 arrests and $299,792.22 in fines during the 1955-56 year.

More than 700 angling citations topped the list of 893 fish and game violations statewide during June, 1958. Fines totalled $23,301.

Angling without a license again led the violations parade with 397 convictions recorded during June. Angling with more than one rod or line was next in order with 122 convictions.

Total fines and arrests were lower in June, 1958, than in the previous two Junes. In 1956 there were 1,007 arrests and $24,010.50 in fines and in 1957 there were 1,030 arrests and $24,110 in fines.

In other action Tuesday:

Mrs. Beverly Engbrecht was named clerk-receptionist replacing Jeanne Takemoto, who will replace Leta Palacin, resigned, as attendance accountant.

Named Mrs. Elsie Peard and Miss Elsie May Peard as temporary library assistants.

Superintendent Harold M. Weaver said he will announce the negotiator shortly.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

BOAT RACES

As always, I have heard pros and cons toward the Gold Cup races. Some think that the little boats should have been included in the race while others feel that it was better with just the larger boats. However, I have one gripe from all the drivers and pit men that I would definitely like to voice. They did not appreciate, by any means, the confusion caused by unauthorized persons and their children in the pits. Children were being allowed to swim under and around where the boats were being launched and the parents ignored requests of the officials to please get them out of the water. This could have resulted in some very serious injuries but luckily did not. Some of the other complaints I have heard from persons watching the races would not have been made if they knew of all the time and effort that goes into staging this affair. This can be the greatest event of the year at Tahoe if everyone would pitch in and cooperate. It is at Seattle. If you have some healthful criticism why not let the Gold Cup committee know instead of your neighbor. Something has been accomplished, however. When the races were started, we had three unlimiteds racing and at this year's event 11 boats showed and nine were in the race .So let's give a vote of thanks to these fellows who worked so hard and give them more help next year to make it an even bigger and better affair.

Seriously Injured

Charles A. Warner, former contractor at the lake and a resident of Tahoe City for 20 years, was in an accident near Cupertino 10 days ago and was rushed to O'Conner Hospital in San Jose where he is still in critical condiiton. His injuries resulted in pneumonia so he will be in the hospital for some time. It would brighten his days to receive cards from his many Tahoe friends.

Art Exhibit

Don't forget to attend the art exhibit to be held at the Outdoor Chapel in Tahoe City Saturday, August 2. This event is being staged by the Tahoe Artists and a small admission is being charged. This is an opportunity to see some fine art work done by the year-round and summer residents and to promote this type of culture in the area. The hope to make this an annual event. The paintings will be judged and awards made.

Bridal Shower

Solvieg Beavers was honored at a bridal shower at the home of Lillian Farr of Tahoe City. Solvieg, who is to become the bride of George Lardner on August 2 at a garden wedding at the home of her sister, Mrs. Charles Hayden of Auburn, received many lovely and useful gifts from her friends. Attending the shower were Geri Cavallo, Mrs. Bean, Sally Pyle, Pat Fox, Chick McBride, Eunice Hoff, Mrs. C. W. Vernon, Betty Jorgenson, Alberta Stark, Helen Rauscher, Dorothy Van Allen and the hostess. The room was decorated in the bridal motif and refreshments were served. The best of all is wished for Solvieg and George by their many friends.

Hales Buy Home

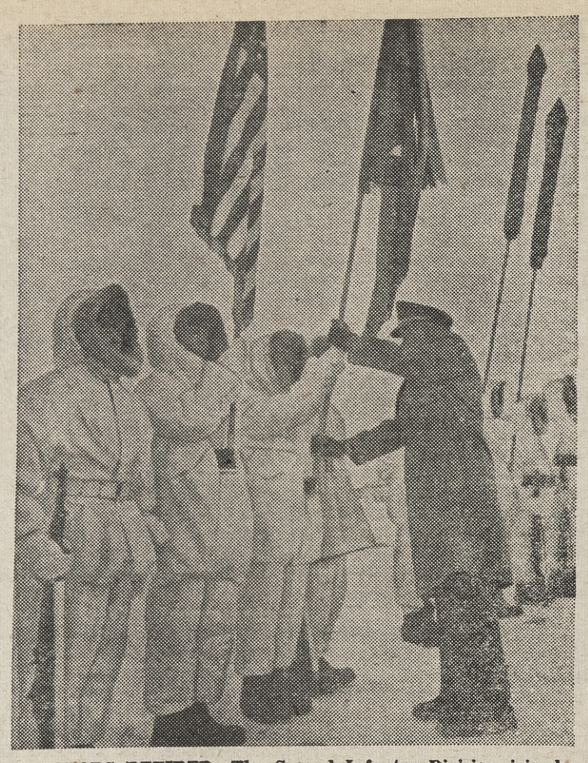
Mr. and Mrs. Prentice Cobb Hale, the former the president of the 1960 Winter Olympics Organizing committee left Wednesday for their home in San Francisco. They had been staying the past month at the Dohrmann home at Sunnyside Lane and have just purchased the former Bud Scott home —Miramar Meights and are doing some winterizing.

Doing Article

Michael Arlene of Holiday Magazine has been up at the lake for the past week gathering material for an atricle on Lake Tahoe as a vacation spot for Holiday. Originally from the east, they are presently living in Berkeley. Both Arlene and his wife were greatly impressed by the lake and surrounding area.

Vacationing Residents

Mr. and Mrs. Oscar Sutro will be occupying the Dohrmann home for most of August. The Lewis Carpenters are visiting daughter and family, the William Mein, Jrs. for a few days. The John Roos' who have occupied the Krause home for the month of July are leaving on Friday for home. The Stan Geddes are enjoying a visit with in-laws and father Ernie Hertler. Visiting her nephew, Ned, and family is Alice Griffith. Also up for the season are the John Merrills who have a home in Tahoe City. The Towne family is also up in numbers at their home at Sunnyside. They include the doctor and Mrs. Harding Glegg of Santa Rosa, the R. F. Hotle family of Piedmont, Henry Aldriches of Lincoln, Edward B. Wallis and Phoebe McClathey and son William of Fresno. In the Rubicon area are the R. K. Davies of San Francisco, A. J. Evers of Marin County, John B. Metcalfs of San Francisco and the John Bradleys of San Francisco. All the above people have had homes at the lake for many years and are always a welcome sight to the residents of our area. We hope all our summer residents have a perfect vacation.



COLORS RETIRED—The Second Infantry Division joined the inactive rolls of the U.S. Army as its colors were cased recently in Alaska by Brigadier General Thomas H. Back, commanding general. In the five below zero temperature, soldiers of the ceremonial unit wore the Alaskan overwhite uniforms, suggestive of this year's high fashion "sack" styling.

SIX ARE NAMED ON SKI EVENT GROUP FOR '60 OLYMPICS

SAN FRANCISCO— Appointment of six new members to the Ski Events Comittee for the 1960 Olympic Winter Games, including Andrea Mead Lawrence, a double Olympic gold medal winner, was announced today by the Organizing Committee.

Andrieus A. Jones of San Francisco, chairman of the Ski Events Committee, said final acceptances had been received from the last of the six new members. All were invited June 24 to join the committee.

In addition to Mrs. Lawrence, those appointed were Stephen Bradley, of Denver; Dick Durrance, of Aspn, Colorado; Altho Melville, of Salt Lake City; Gus Raaum, of Seattle; and Sepp Ruschp, of Stowe, Vermont.

The Ski Events Committee assists the Organizing Committee and its technical experts in planning for ski jumps and alpine and cross-country ski runs. It also aids in solving snow clearance, course packing and snow safety problems connected with the conduct of the races at Squaw Valley in 1960.

Mrs. Lawrence, 26, of Aspen, was a member of United States Olympic ski teams in 1948, 1952 and 1956. She won gold medals in slalom and giant slalom at Oslo, Norway, in 1952, and is former U.S. women's champion. She is the mother of four children.

Bradley, manager of the Winter Park, Colo. ski area, was a pre-World War II star in downhill, slalom, cross-country and jumping at Dartmouth. He was race chairman of the International Ski Federation (FIS) world championships at Aspen in 1950.

Durrance was a teammate of Bradley's at Dartmouth and was on the U.S. Olympic ski team at Garmisch-Partenkirchen, Germany, in 1936. He was national downhill and slalom champion several times and retired a Harriman Cup at Sun Valley, Idaho, by winning three years in a row.

Melville is the recently-elected president of the National Ski Association. His son Marvin skied on the U.S. Olympic team at Cortina d'Ampezzo, Italy, in 1956, and on the American FIS team at Bad Gastein, Austria, earlier this year.

Raaum is a Norwegian-born graduate of the University of Washington, where he was an outstanding competitor in jumping and cross-country events.

Ruschp is president and general manager of the Mt. Mansfield Company, a Stowe, Vermont ski resort. The Austrian-born instructor and coach was a disciple of the late great ski teacher, Hannes Schneider.

Other members of the Ski Advisory Committee are Chairman Jones; Wendell Broomhall, of Rumford, Maine; Wesley Hadden of Pasadena, California; J. Stanley Mullin, of Los Angeles; Charles H. Proctor, of Yosemite Valley, California; Willy Schaeffler, of Denver; Albert E. Eigal, of Palo Alto, California; Edward F. Taylor, of Denver; Birger Torrissen, of Salisbury, Connecticut; and Olaf Ulland of Seattle.

WORK TO START SOON ON 11.5 MILE FREEWAY

The division of highways reports they have been advised by A. Teichert and Sons, Scramento contracting firm, that they would commence work this week on the 11.5-mile section of freeway to be constructed between one-half mile east of Roseville and one mile east of Newcastle. Teichert and Sons submitted the low bid for the project on July 16.

The Sacramento firm, assuming their low offer will be awarded the contract, will commence clearing operations at once. Grading operations will start as soon as clearing work has progressed to a point where such equipment can be used.

The construction is on new alignment and will not interfere with the flow of traffic on Highway U.S. 40. Traffic on county roads in the area will be handled by detours around the points of interference.

PROPOSED BUDGET

For the Tahoe-Truckee Unified School District for the school year ending June 30, 1959

Average Daily Attendance (all grades in the schools of the district) ..... 1957-58, Actual or estimate.....787

GOVERNOR DISAGREES WITH GOP LEADER

SACRAMENTO —(CNS— Gov. Goodwin J. Knight has disagreed with Alphonza E. Bell, state Republican party chief, that the GOP "goofed" in permitting the requirement that the major party affiliation appear after a candidate's name on the primary election ballot.

Bell called for repeal of the amendment to the constitution and said it permitted Democrats to appeal to blind partisanship.

In disagreeing with Bell, Knight said he still thought "the people select the best candidate, as demonstrated by their great independence in voting, and will continue to do it.". He said he thought the voters "will always select on the basis of ability rather than party."

Knight said he knew of no movement to abolish the amendment or to abolish California's practice of cross-filing in primary elections.

SACRAMENTO MAN HAS RECREATION JOB

SACRAMENTO —(CNS)— Gov. Goodwin J. Knight has announced the appointment of Lee Helsel, 41, of Sacramento, as state director of recreation, effective August 1.

Helsel succeeds Sterling S. Winans, who resigned to accepted assignment as recreation adviser to the chief minister of Singapore.

Helsel served with the city of Los Angeles department of recreation from 1937 until 1951, except for military service, and since then has been chief of rehabilitation services for the department of mental hygiene.

The recreation director post pays $11,400 a year.

TENDER TRAP WILL BE OFFERED AT LAKE BY COLLEGE PLAYERS

KINGS BEACH— "The Tender Trap", a comedy by Max Shulman and Robert Paul Smith, has been chosen as the second drama production of the Sacramento State College summer session at Kings Beach, Lake Tahoe. Robert Wyman, head of the drama department this summer, states that the cast has been chosen and production is underway.

Taking the role of Charlie Reader will be Jack Burrill, a drama teacher from Fairfield. Marilyn Tuner will portray Julie Gillis and Dave Clegg will fill the role of Joe McCall. The part of Sylvia Crewes will be filled by Jill Simonsen. Others in the play are Jan Fitzpatrick, Penny King, Dick Baldwin and Tom Johnson.

Presentation of the play will be at the Kings Beach Elementary School in Kings Beach on Friday and Saturday nights, August 1 and 2, at 8:30. The price of admission is one dollar.

Five of the world's ten highest dams are in the United States.

Biennials are plants which complete their life-cycles in two years.

CRACKDOWN OPENS ON CIGARET TOSSERS

SACRAMENTO —(CNS)— The California Highway Patrol has announced a crackdown on persons who throw lighted substances, such as cigarettes or cigar butts, from automobiles along rural highways.

"The lighted cigaret or cigar stub can cause thousands of dollars damage when thrown onto the highway where it can be blown into dry grass or other growth along the highway," said B. R. Caldwell, CHP commissioner. "The law definitely prohibits throwing any lighted substance onto the highway and violators will be cited."

Caldwell noted that litter thrown onto the highway also presents an added problem to the fire control program.

LAKE LEVEL

TAHOE CITY— The level of Lake Tahoe (provisional, subject to revision) on Monday was 6229.01 feet and all gates into the Truckee river were closed. The warmest day of the season was recorded Sunday when the temperature went to 78 degrees. A trace of precipitation was recorded Saturday.

Annuals are plants which complete their life cycles in one year.

Self-service food stores account for more than 87 per cent of all food sold.

LIVE BETTER... *Electrically*

ON MEASUREMENT IS FOUNDED THE WHOLE PROGRESS OF MAN

How to Read Your Electric Meter

Beginning with the left hand dial, record the smallest number that the pointer has just passed. Repeat this operation on the next three dials, recording the numbers in their proper sequence, and the number thus obtained is the reading of the meter.

If, when reading the meter, one of the pointers on the dial is between two numbers, record the smaller number. If a pointer is directly on a number ,the next lower number must be recorded unless the pointer to its right has passed 0.

The District will be happy to give you personal instructions in reading your meter if you will call LUther 7-3220.

No Other Commodity is Measured So Accurately as Electric Power.

Meets second Friday each month at 7 p.m. at the hospital.

Truckee Fire District
Meets first Tuesday each month at 10 a.m.

Truckee Cemetery District
Meets at call of Chairman W. M. Englehart, Sr.

ALL ABOARD
Lots of sailors were on deck for the beginning of Bible Cruising Time. Flannelgraph lessons and handcraft were presented according to the different age levels. Each day Mel Moore has held the rapt attention of every one with a gospel magic trick, even to the bringing in of paratrooper space men.
Monday afternoon several members of the board of Student Missionary Council were in Truckee. Dave Weyerhaeuser, Verne Spillman, Charles Peterson and Jack Dixon were rejoicing over the gratifying response to the S.M.C. schools in the entire area.
Our presentation program will be held next Thursday evening at 7:30 at the church at which time the young people will give their parents and friends a resume' of what they have learned.

STATE PARK NOW HAS HUGE SUM IN STATE PROPERTY

SACRAMENTO —(CNS)— The California State Park system now has properties worth $49,760,702, according to the original purchase prices or the appraised value at the time the properties were deeded to the state as gifts.
The system includes 122 miles of ocean frontage, 197 miles of lake and reservoir shoreline and not quite 41 miles of river frontages. It amounts to 542,000 acres in direct ownership and includes another 69 acres under lease agreements.
Appropriations made to the division of beaches and parks for the first three years of its five-year program totaled $78,290,062. All of the appropriations were not for projects included in the five-year program although some of them have been included for future consideration.
A number of legislators have complained of the policy that the park commission does not move on projects when directed to by the legislature, on grounds the projects are not in the five-year plan. Such legislators claim the legislative mandate overrides authority of the commission, created by the legislature, to decide which projects should be acquired or constructed.
During the 1957 legislature, for instance, the lawmakers voted $15,494,281 for acquisition and development. However, the division makes this report as far as carrying out the legislature's orders:
"Some of these projects were included in the five-year master program as deferred projects and these have been approved by the state park commission. Others are still subject to review as being acceptable projects for addition to the state park system."
The division noted the 1957 appropriation included $2,990,000 for development of Squaw Valley for the 1960 winter Olympics, bringing the total for that project to $7,990,000.

TOSSING CIGARETTE COST DRIVER $100

TAHOE CITY— Arthur J. Stranton, Jr., San Francisco, appeared before Judge Harry Charrison in the Tahoe Judicial District Court this week and paid a fine of $100 for throwing a lighted cigarette from a car. He was arrested by Patrolman T. F. Sheehan of the California Highway Patrol.
T. A. Winter of Carson City paid a fine of $263 on a drunk charge in the same court.

TULE ELK
The only remaining band of Tule Elk in captivity are at the Tule Elk Reserve State Park in Kern County, 26 miles southwest of Bakersfield, reports the California State Automobile Assn.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Well, through the week it was not too good. Overcast with thunder storms most every day. A week ago Kings Beach had approximately 2 inches of rain, forcing quite a few to move out of the area to seek good weather some place else. Saturday morning now it is ideal for the boat races and thousands lining the shore around Tahoe City where preparation had been made to make things comfortable for their guests. New steps were erected from the highway to the commons.

Another Sale ....

Barbara (Mallory) Coryell tells of selling the Pine Pantry of Pearl (Koltes) Sigg. The lucky buyers are Ray and Jane Bolzerek of Richmond. We are very happy for Pearl but she will be missed as she has been one of our respected citizens for years. It was a good sale for Barbara, too.

VISIT

Wyman Williams is at his Brockway home for a short stay. Had quite a party at the Williams' home during the week. Sophie Miedema, Beverly Williams, Randy Scott, and James also atended.

BOUGHT & SOLD

Orin Branch has bought the home of Anna Blaue at Tahoe Vista. We are sorry to see Anna leave as she was a wonderful church worker and had been here many years. We wish her well. Orin hopes to stay the year around and to continue his caretaking activities. Very glad to see him back.

NEW BABY

Born on July 18th to Mr. and Mrs. Wainscoat of the Brockway Bakery, Kings Beach, Paul Daniel, and believe it or not, Paul is the thirteenth child. What a happy family this is to be sure. Happy bakers' dozen to them with many more to come?

TO LOS ANGELES

Joby and Helen Lewis left last Sunday for Los Angeles where they will visit with Helen's parents for a short time. By the way, Helen is coming along very well, but still wears a brace. That's another mark against drunk drivers and speeders— other people have to suffer.

IN HOSPITAL

Rose Baker, we are sorry to hear, is in the Washoe Hospital undergoing an operation.

SPIC AND SPAN

Ran down to Tahoe City this Sunday morning and was surprised to see the city looking spic and span after the terrific crowd that attended the big races on the day before. It is surely a feather in the caps of those that had charge of the smart little city.

NEW GOVERNOR TO HAVE NICE NEST EGG

SACRAMENTO —(CNS)— California's new governor for 1959-62 may have a $40 million nest egg for budget-balancing purposes when he buckles down to financial duties soon after the November election— a mighty handy sum since the state is almost certain to be in the red by that time.

Availability of the money will depend on the action of the state lands commission ,which meets in Los Angeles July 25 to consider awarding oil drilling contracts on state-owned tidelands which could bring in a bonus totaling $55.5 millions.

These are the bids on five proposed oil and gas leases off the coast of Santa Barbara county— under the new 1957 formula in the law which the oil industry had said would make bidding nearly impossible. Under the legislation, the state's royalties were hiked from 12½ per cent to 16 and two-thirds per cent, on a sliding scale up to 50 per cent, plus a cash bonus.

In the Superior Court of the State of California, in and for the County of Nevada.

NOTICE TO CREDITORS

In the Matter of the Estate of MARGARET WAGGONER, also known as MARGARET E. WAGGONER, Deceased.

SURPLUS BUILDINGS AND FIXTURES FOR OFF-SITE USE AT Weather Bureau Air Station (Living Quarters) Blue Canyon, California

Building and Fixtures. Bids are invited for purchase and removal of building with its presently contained fixtures.

Located at Weather Bureau Air Station, Blue Canyon Airport, Emigrant Gap, California, and it is more plainly described as follows:

One frame building 22' by 28', formerly used as living quarters by the weather bureau observatory. The building contains living room, kitchen, two bedrooms, bath and basement.

HOW, WHEN, AND WHERE TO BUY

All bids must be submitted on "Invitation, Bid, and Acceptance Form No. GSA-PBS-9-B-24". T his form no. GSA-PBS-9-B-24 describes the property, states the terms and conditions of sale and provides instructions to bidder on how to bid.

Bids will be received at General Services Administration, Public Buildings Service, Business Service Center, 49 Fourth Street, San Francisco 3, California, until 3:00 P.M., Pacific Daylight Time, August 13, 1958, at which place and time they will be publicly opened and read.

All bids to be acceptable shall be on an "as is, where is" basis.

Property may be inspected at the above location.

The sale shall be for cash only. A bid deposit of 10% of the total amount bid must accompany the offer to purchase in the form of cash, postal or express money order, certified or cashier's check.

This advertisement is not a basis for negotiation and General Services Administration reserves the right to reject any or all bids.

For the required "Invitation, Bid, and Acceptance Form No. GSA-PBS-9-B-24" and for further information, address:

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)—Between now and November general elections, much is going to be heard and said concerning Proposition No. 17, which is the labor initiative designed to lower the state's income tax from three to two percent, and at the same time, play a "soak-the-rich" game with the public and increase the income taxes now paid in the so-called "higher brackets."

About the only thing the initiative doesn't do, and some people wonder how the sponsors missed it, is freeze the present exemptions in the state scales tax law.

The primary exemption, and the first one to be adopted in relation to sales taxes, was that for food purchased for home usage. While California's solons held that the housewife who stayed home and cooked the meals should not pay a sales tax, at the same time, they levied the tax on individuals who either have to, or do so from choice, eat in restaurants or hotels.

The fact that the exemptions aren't frozen into state law by the proposed initiative, should give Californians some idea of what is going to happen if the initiative carries.

Unless the labor people are strong enough in lobbying the legislatures during the 1959 session, it is almost a certainty that the solons will vote to tax food purchased in grocery stores.

This in fact, would virtually nullify the object of the proposed constitutional amendment. For what little the ordinary run of human beings would save in the difference between three and two percent on their purchases other than food, would quickly be made up and probably surpassed in amount of tax the people would have to pay on groceries. particularly at the prices now being charged by the food stores.

And this is not all. The trend is to provide for the same exemptions in the state sales tax, and in the county, and or city sales tax.

Consequently, if the amendment were adopted, the public could look to a three percent tax on everything, including food, instead of a four percent tax as at the present time, in those areas where local sales taxes are charged, with food exempted.

Eventually, the statisticians will get around to working out just how much the "reduction" in the sales tax is going to cost the public. but that has not as yet been done. But logically, the state legislature at some point along the line is going to have to make up the loss in revenue from three to two percent, and the increase in the state income tax higher brackets is not expected to equal the loss in the sales tax.

Even if the measure fails, there is still a possibility the solons will consider an elimination of the sales tax exemptions, for the simple reason a shortage of $220 million in revenue looms for the state administration.

And it is not fantastic to feel that the legislature will give some grave consideration to putting the tax back on food in any event, to bolster the continually declining tax revenue of the state.

As far as No. 17 is concerned, it does not appear at the present writing that anyone, rich or poor, laborer or white collar man, would have much to gain by its passage.

The main crops of Korea are cereals, of which the most important is rice.

STATE SCHOOL CHIEF ARGUES FOR SHIFT IN STATUS OF JOB

SACRAMENTO —(CNS)— Roy Simpson, recently re-elected state superintendent of public instruction, has proposed the post be made appointive, with a new state board of education with powers similar to those of the regents of the University of California.

The new 11-member board (the present board has 10 members) would "be invested with full powers to govern and operate the state colleges without restriction by other state agencies, subject only to such legislative control as may be necessary for the security of funds donated or appropriated for its use."

Under his proposal, the office of superintendent of public instruction would be appointive by the new board, with no confirmation of the state senate required. A proposition ,approved by the 1958 legislature, will appear on the November election ballot, which would make the office appointive by the board of education but subject to confirmation by the senate.

The new board of education, which would serve 10-year, staggered terms, would succeed to all the powers and duties of the present state board, the department of education, director and superintendent of public instruction.

Simpson said his plan had been presented to the presidents of the 12 state colleges recently and it received their approval. He said that, since 1945, the state college system had grown from eight institutions, with 547 faculty members and 6,133 students, to 12 institutions, plus four more authorized by the legislature, with 3,656 faculty and 72,083 students.

PLACER'S ROAD TAX MAY BE IN TROUBLE

AUBURN— Placer County's proposed ten cent county wide road tax may not stand the test of the final budget hearing next month, it was revealed in heated conversation among four Placer County supervisors late Tuesday. It was voted into the preliminary budget last week, 4 to 1, over the objections of John Boyington of the second district.

Instead, it is considered probable each supervisor can sponsor a road tax in his own district, and have the funds it raises, spent in road construction work in his own district. The supervisors might not necessarily have the same tax in each district.

Frank Paoli of the fourth district, the board chairman, started the verbal ball to rolling by stating:

"I may put a road tax on my own district instead of a county-wide tax."

NEVADA CITY GIRL IS CONTEST WINNER

The second annual Maid of Nevada County Contest was held in the Veterans Memorial Building in Grass Valley on July 26 at 8:00 p.m. Named by the Nevada County Board of Supervisors to conduct the contest, the Junior Chamber of Commerce with a committee headed by Kenneth Adams, who also acted as master of ceremonies, turned the Memorial Building stage and specially constructed T-shaped walkway into a sea atmosphere with fish nets and sea shells.

Acting as judges were Hal Welch, of Donner Lake Lodge, Capt. Dale Milliman of Beal Air Force Base, Leonard Oliphant representing the Nevada City Chamber of Commerce, Jack Cramer, president of the Grass Valley Chamber of Commerce and Douglas Toy of Grass Valley, the father of the Maid of Nevada County (Carole Toy) of 1957.

Selected to represent Nevada County at the State Fair was Miss Darlene Eddy, daughter of Mr. and Mrs. William Eddy of Nevada City. Miss Eddy is aged 19, is 5'4½" tall, weighs 123 pounds, and measures 35-24-36. She is a student at Sierra College in Auburn majoring in liberal arts and business. In 1957 she was 3rd place winner in the Maid of Nevada County contest. She has brown eyes and hair.

SEVERS BUSY—

Mr. and Mrs. Roy Severs of Hayward wrote that they had planned to return to see friends here this year but have been busy opening their hardware and gift shop in a shopping center and are also getting settled in a new home, in the same area.

ON MOUNTAIN—

Mr. and Mrs. George Galleg and young grandson, Val Rabhans all of San Francisco are vacationing at their cabin at Donner Summit. The family had earlier made a trip to San Diego.

NEVADA COUNTY IS HIGH IN JC BUDGET

Harold M. Weaver, district superintendent of Sierra College, today announced the district will receive $175,118.73 for services to California students residing outside the district.

The sum is based upon tuition from thirteen counties and a subsidy of $27,000 from the state for services to out of district residents. Tuition alone will bring $148,118.93 he said.

El Dorado County will get the biggest tax bill because of students at Sierra, with a total of $58,584.94 due for services in the 1957-1958 fiscal year. Exempt from the El Dorado junior college tuition tax is Northside, which belongs to the Sierra Junior College District.

Second highest bill will go to Nevada County, $57,420.20. Exempt from this tax is the Tahoe-Truckee School District, which includes some Nevada County territory.

The junior college tuition taxes are mandaotry upon the counties for the fiscal year 1958-1959.

FREEWAY CONTRACT AWARDED BY STATE

SACRAMENTO — (CNS)— The state department of public works was awarded a $6,946,992 contract to A. Teichert & Sons, Inc., Sacramento, for grading and paving 11.5 miles of four-lane divided freeway on new alignment on U.S. 40, between one-half- mile east of Roseville and one mile east of Newcastle.

The new highway, which will bypass the towns of Rocklin and Loomis, will include construction of 12 bridges, with interchanges and access connections to provide service to these communities.

SPORTS CARS WILL RACE NEAR CARSON

The Nevada Sports Car Racing Club is sponsoring a race at the Tahoe-Minden airport, 15 miles south of Carson City on Highway 395 Saturday and Sunday, August 2 and 3. Sports cars of all kinds, will be competing in the event and already more than 125 have entered. Racing will start each day at 10 a.m. The affair is a benefit for the Minden City swimming pool.

There will be 11 events ranging from MG's to the more expensive cars, one a $35,000 American made Scarab to be driven by Lance Reventlows.

FILMS BEING MADE THROUGHOUT AREA

TAHOE VISTA— T. L. James, president of the North Tahoe Business Association announced that moving picture films are being made of this area, beginning at Donner Summit, continuing to Donner Lake, up the Truckee River, into Tahoe City and going up Highway 28 to Tahoe Vista, Kings Beach and Crystal Bay, Nevada, closing the scenes in the vicinity of Mt. Rose.

James said that the firm of Wollin and Hart Corporation of Hollywood are doing the films, with Robert Wollin, Don Hart and Charles MacCrone taking and directing the varied scenes of the Lake shore line, sports available in the district including fishing, water skiing, boating, golfing, horse back trails in the nearby forest.

A highlight of the venture is the filming of the Gold Cup Races held last week end and it is expected that the rolls will be completed within a month.

They will be available for showing by civic organizations by requesting from the North Tahoe Business Association.

COMPANY LOSES IN CABLE CUTTING SUIT

A Nevada County Superior Court jury this week brought in a verdict favoring the defendants in an action brought against them by the Pacific Telephone Company for $7,336 damages resulting from the severing of a coast-to-coast co-axial cable near Donner summit three years ago.

The defendants were E. M. Clark of the Lincoln Gold Dredging Company, the Soda Springs Ski Corporation and Milton Hogle. They were held not responsible for the cutting of the cable which the company charged was due to operating equipment negligently.

DOVE SEASON IS SET BY STATE COMMISSION

The state fish and game commission set California's 1958 dove season for September 1st to 30th and the bag and possession limit at 10 birds daily.

This year's season is identical to the 1957 hunt and was adopted informally by commissioners. It will be adopted formally in San Francisco Monday at the Commission's regular monthly meeting.

MAGAZINE STORY OF LOCAL RAILROADING

Appearing in the August issue of "Trains" magazine, is an article describing how Southern Pacific "Hoists 5,000 Tons 1¼ Miles."

This is an article on how the railroad operates over the Sierra Nevada mountains between its modern railroad yard at Roseville and the bright lights of Reno. The author is David P. Morgan of the Kalmbach Publishing Company. "To see how this link in the original transcontinental railroad has survived the years, David Morgan rode a 5,000-ton east-bound freight train with 12,000 diesel horsepower to do the lifting," A. C. Kalmbach explains.

The article will include photos, profile and map.

FOOTBALL STAR IS SPEAKER AT MEET

TAHOE CITY— Billy Wilson, a member of the 49r's football team of San Francisco was guest speaker at the July 22 luncheon meeting of the Tahoe City Rotary Cluub. Wilson recalled some of the good and bad games of last year and said, "if we don't come out ahead at the end of this season, we never will". He answered a number of questions on playing, on managers of various teams and the average weight of members of his team. On weights he said the average weight is 225 pounds. Wilson was vacationing here with Hugh McElhenny, another 49r.

The 49r's will be going into training at St. Mary's, near Walnut Creek on August 2.

There were 31 visiting Rotarions at the meeting with but 21 local members. Notwithstanding the small attendance, the report from the District Governor's office placed the Tahoe City Rotary Club as sixth of the 41 Rotary Clubs in District 519 or, 96.87 per cent for 100 meetings. Martin Spitsen presided.

LIBRARIAN REPORTS ON BAY CONVENTION

Roy Baker, the local librarian, reports that the convention of librarians held in San Francisco exceeded the expected attendance by more than five hundred. He was impressed by the number of librarians who came from the "deep south" especially, educationally speaking, the poorer states.

He reports that uppermost in importance for school librarians is the progress being made in establishing the standards for public school libraries on a nation-wide basis. As compared with the tentative recommendations presented at the conference, the library of the Tahoe-Truckee Unified School District is understaffed by 225 per cent. The staff as recommended reflects the library services that progressive schools are expected to offer to our children.

RABLINS FROM ROSEVILLE—

Mr. and Mrs. O. J. Rablin and Mr. and Mrs. John Rablin all of Roseville have been enjoying the summer here.

Visitors—

Former local residents of Truckee visiting this week are Mrs. Walter Bigelow of Loomis and Mrs. Lassie Patterson and daughter of Sacramento.
